

Minutes of the Club meeting held 7/17/19 with 7 members in attendance.

The mower is beginning to show it's age and needs a little TLC at times but, it still does a really good job of mowing the field when someone has the time to do the job. The condition of the shed is becoming an issue and several ideas have been brought forward for repairs or replacement. Contact with the right people at Padre Pio on this responsibility has been a work in progress. We discussed contacting the company that mows the grass for Padre Pio and ask if they can give us a price, for the year, to mow the field. I will be contacting the owner of the company and I will keep everyone posted on this result.

The Fall Fun Fly has been scheduled for Sept. 21st, with the rain date the 22nd. We are going to invite the members of Swamp Creek flying club to join us.

The Treasurers report shows the Club in good shape financially with, presently, 35 members.

Due to the rain, we were unable to mount the Club Plaque on the pin box.

The Tuscarora Flying Club is holding their AIR/CAR/TRUCK/BIKE Show this weekend July 20th and 21st. For more info go to www.tuscarorarcflyingclub.com

HAPPY FLYING
