

**23 September 2020  
Meeting Minutes**

**The September meeting was held on the 23<sup>rd</sup> with 11 members present. The club now has 40 members.**

**Financially the club has a balance of \$3,171.73 so we are doing quite well. There was a donation of \$50.00 to Rough & Tumble in memory of Thomas D. Griesser who was one of our own. He is missed by all that knew him.**

**There was some talk about the club getting a Trainer Airplane to help beginners learn to fly and possibly even joining our club. There was a good amount of support for this by the members present.**

**We had our Fun Fly on the 27<sup>th</sup> and that event went pretty good given the fact that Mother Nature didn't cooperate on our scheduled day of the 26<sup>th</sup>. Some of Tom's RC gear was sold and Dave brought in some ship models also. There was a good amount of flying and a good time for all. There was a pretty good turnout and it was nice to see everyone again.**

**There was a motion that was carried to start building the new shed ASAP during this fall season. Any volunteers for this project would be greatly appreciated.**

**Enjoy the rest of the flying season.**
