The April 2023 Meeting was held on the 15<sup>th</sup> with 15 members present, The Club now has 43 paid members. The next Club Meeting (Flying Field) 17 May 23 at 7:00pm.

Treasury Report – Our total income for this year is \$1,680.00, our total expenses are \$993.31 and our ending balance is \$3,757.42.

Membership Form – We are still having issues with people not completing the Exeter RC Eagles Flying rules agreement that is on the bottom of the Membership Form. Please be advised that membership cards will not be issued unless that has been signed. It was also agreed that all family members on the Family Plan must also sign this form. There were 6 people at the time of the meeting that hadn't sent this form in with the membership form.

Officer Elections – The election was held and it was voted unanimously that the Club Officers remain the same. Officers listed below.

President: Norris Matthews  
Vice President: Bill Sherman  
Secretary: Bob Wingert  
Treasurer: Dennis Snoke  
Safety Officer: John Smurthwaite

Mower Maintenance – Spring Maintenance and Repairs have been carried out and the mowers are in great shape. Many thanks go out to Roy Boyce who spent a lot of his time getting these ready for us this season. He changed the oil, charged the batteries, sharpened the blades and did a front hub repair on the Husky.

Flying Zones - We have been doing great so far in staying within our flying area. Lets continue this trend. Great job everyone!

Field Rolling – Weather permitting we have scheduled a roller for the 6<sup>th</sup> and 7<sup>th</sup> of May. We are interested in anyone who would like volunteer on those days to help roll the field. This vastly improves the evenness of the field and makes for much improved ground handling of our aircraft.

Summer Fun Fly – The date will be picked during the May meeting. It was decided to have two Fun Fly's again this year. We will hold the next one in early fall.

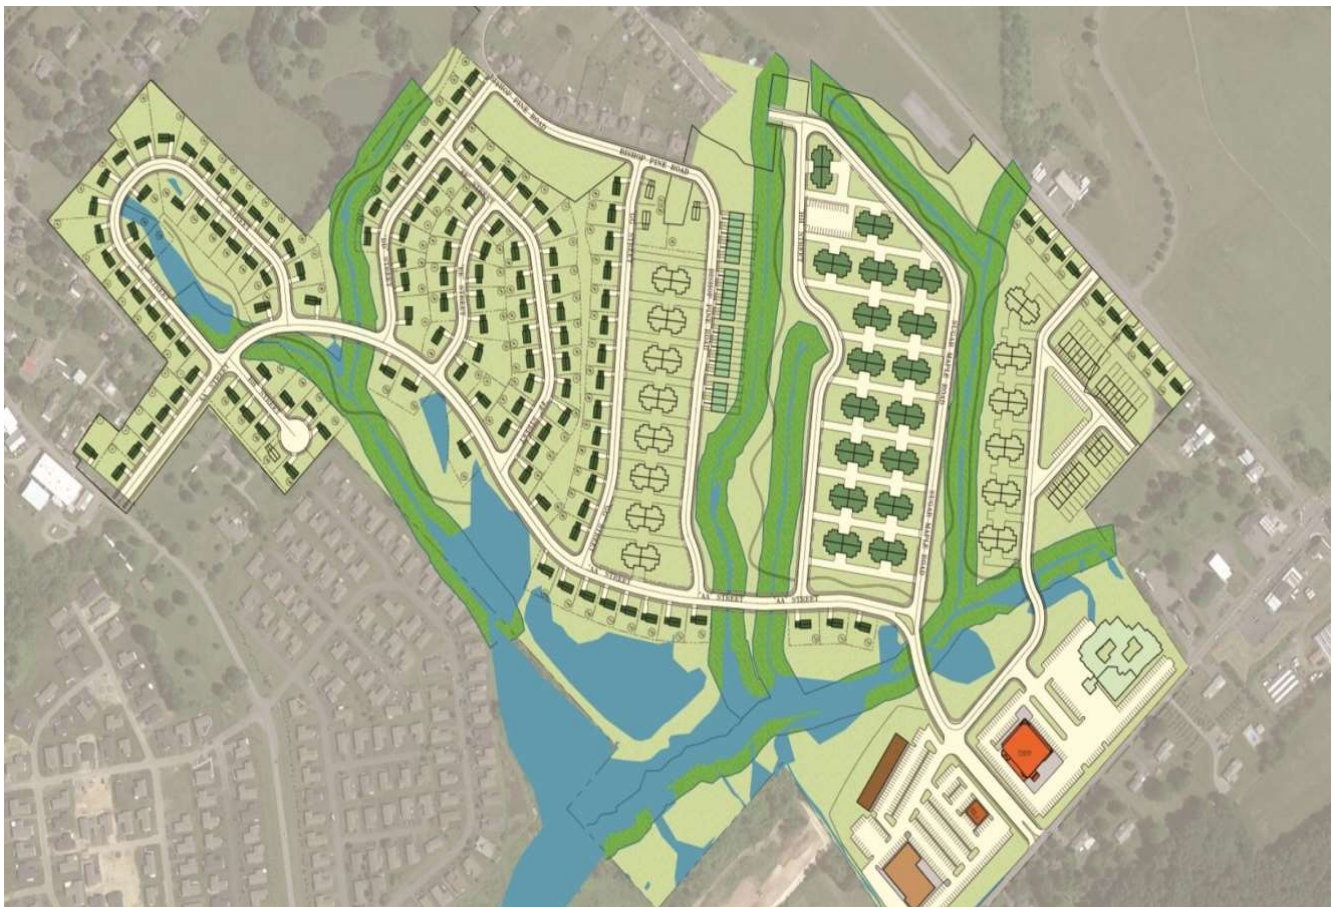

Mower Shed – It was brought up that we should stain the shed.

Page 2 of 2

Geotech Runway – This was brought up as a way of improving the runway. We need to follow up on this with pricing and checking in with Padre Pio.

Padre Pio Events – It was brought up that we may need to shut down operations when Padre Pio is hosting certain events. We will contact our membership if we decide this is something we need to do in the future. At the moment we couldn't have a greater repertoire with our hosts.

Edison Walk – Not sure how this effects us in the future but if you look at the picture below you will see a development that's planned and you can see it's on the other side of Barto Road almost directly across from our flying field. We will be keeping our eyes on this one.

Sincerely  
Bob Wingert  
Club Secretary
