

18 August 2021 Meeting Minutes

The August meeting was held on the 18th with 5 members present. The club now has 39 paid members. This is a great size membership for our club. The September meeting will be held on 15 September 2021 at 7:00pm at the field.

Treasury -The club is in good shape financially with a balance of \$2,329.28 after expenses.

Fun Fly – We took it up for a vote and it was unanimously decided that our Fall Fun Fly will be held on the 2nd of October with the 3rd of October being the rain date. The one in June was a great success. It was a perfect flying day with lots of flying and no serious mishaps.

Mower Shed – We are very grateful to Derrick who donated shingles and shingled the roof. Craig was also very helpful as he painted the shed floor and sharpened the mower blades. We still need to replace the locking latch and add some edge siding. So it's just some minor things left. Craig also commandeered a weed eater and Derrick did some work on it to get it all running and ready. The two have been pretty busy keeping up with things. We also have a spare mower in the shed for now. We are in pretty good shape for maintaining the field.

It was brought up that our Club Web Site is listed wrong on the AMA site. I am going to call the AMA this week and remedy this.

It was also decided to have a section on our Web Site to let others know what dates and times that people have decided to fly so that we can all join in on the fun. This will be included on our web page very shortly. In the meantime feel free to use Email and just post to all members. I hope to have this resolved also by next weekend. This will be in the Members Page and is password protected.
