Meeting Minutes

AUGUST 2014

Our monthly club meeting was held on Wednesday, August 20, 2014 at the flying field and called to order by President Ed Lopuski at 7:00pm with 5 members present. The club currently has 35 paid members.

OLD Business: (from last month)

NEW Business: (from this month)

Club member John Smurthwaite presented a vinyl sticker with the new club logo available for \$5.00 each. All members present at the meeting purchased a sticker. If any member would like to purchase a sticker, they may contact John directly at: john4ms@comcast.net.

Hats with an embroidered logo will also be available. Pricing will be between \$16 and \$20 depending on the amount ordered.

Norris Mathews asked if it would be possible to have a picnic table at the field. He has one and it was suggested to keep it near the pin box so as not to look like we are “spreading out.”

Ed Lopuski is back from vacation and has filled both gas cans for the mower.

There was an open discussion on quads, the new FAA ruling and how it may affect our field.

It was suggested that we have a flea market/swap meet/auction. This could be held during the Funfly/Picnic in September. Sellers should bring a table to display their wares to the Funfly.

The club’s annual FunFly will be Sunday, September 21st. Please mark your calendar and plan to attend. The club will provide hot dogs and hamburgers, however it will be up to attending members to bring condiments and side dishes. If you are attending, please email Ed Lopuski with details on what you will be bringing so that we do not have duplication and don’t forget to bring a table if you plan to sell stuff.

The next club meeting is on Wednesday, September 17th at 7:00 P.M. All club members are invited to attend our monthly meetings.

Meeting was adjourned at 8:00pm.
