

**21 July 2021
Meeting Minutes
Page 1 of 2**

The July meeting was held on the 21st with 12 members present. The club now has 37 paid members. This is a great size membership for our club. The August meeting will be held on 18 August 2021 at 7:00pm at the field.

Treasury -The club is in good shape financially with a balance of \$2,219.28 after expenses.

Expenses: AMA Field Registration, Field Rental from Padre Pio and Mower upkeep.

Fun Fly – We took it up for a vote and it was unanimously decided that our Fall Fun Fly will be held on the 2nd of October with the 3rd of October being the rain date. The one in June was a great success. It was a perfect flying day with lots of flying and no crashes.

Mower Shed – Minor items still left but in all it's doing quite well and no water intrusions. We really appreciate the fact that Dereck donated and dropped off a load of shingles for finishing the roof.

Membership Phone Listing – I will be including this into our Web Site shortly.

It was brought up that our Club has the wrong AMA number listed on the AMA's web site. This will be corrected at the soonest opportunity.

It was also decided to have a section on our Web Site to let others know what dates and times that people have decided to fly so that we can all join in on the fun. This will be included on our web page very shortly. In the meantime feel free to use Email and just post to all members.

Important Local Events –

The Golden Age Air Museum will be hosting a Golden Age Radio Control model meet on August 12th thru the 14th. It will be hosted by the Tri-County Sky Barons. I was driving around the area this Saturday and stopped in for the tour. They had a Fokker DRI Triplane there and my jaw dropped. I had never seen a real one before. It was awesome to behold. I will be sending pictures in a separate Email.

Web Address: WWW.goldenageair.org

Address: 371 Airport RD
Bethel, PA 19507

2021 Aerorama – Sponsored by the Tuscarora R/C Flying Club and held on August 21st thru August 22nd. Two days of flying to show the public at the field. Saturday evening will start at 3pm and go until 9pm with night flying, electric only for night flying. Sunday will be from 12-4pm. Turbines are welcome. Food will be available for purchase.

Web Address: Tuscarorarcflyingclub.com

Event Address: 70 Foothill Street, Barnesville, PA, 18214 (*Tuscarora State Park*)

Sincerely: Bob Wingert - Secretary
