

The June 2022 Meeting was held on the 15th with 12 members present, The Club now has 34 paid members and growing. This is a very good number for our Club. The next meeting will be held on the 20th of July.

Treasury Report – Our total income for this year is \$1,740.00, our total expenses are \$1,536.55 and our ending balance is \$2,456.18.

Fun Fly – We had a good Fun Fly on the 15th of June. It was cloudy but otherwise the conditions remained calm and there was a lot of flying. We got some rain later in the afternoon but it went pretty well. We had a good turnout given the weather conditions. We posted a video on the Website in the Photos section., Our next Fun Fly is scheduled for 8 October with a rain date of 9 October.

Field Rolling – The field was rolled on the 9th and 10th of May. Special thanks to all who participated.

Mower Maintenance – We couldn't get the Husky mower started the day before the Fun Fly and it also had a flat tire in the front. Luckily we had the Iron Horse back up mower and it ran pretty good and we were able to get a good cut in before the Fun Fly. Norris took the mower home and will be checking it out. He is also looking at replacing or sharpening the blades. We all agree the mower doesn't owe us anything and should it be cost prohibitive we will replace it.

Route 100 – We haven't gotten any complaints about flying over Route 100 this year. We need to continue being diligent in policing this and we want to thank everyone for doing their part. It was noted during the Fun Fly that no one came anywhere close.

Apple Tags – It was discussed that we could use Apple Tags at our field to put in the planes. This would allow you to find it should they go down somewhere. There is an app on your phone that could lead you to your plane.

Have A Great Flying Season
Bob Wingert
Club Secretary
