

The meeting was held at the flying field with seven members in attendance, and led by Norris Matthews. The following topics were discussed.

- 1) The field was rolled on Saturday, May 14th, with the cost of the equipment rental being \$322.60.
- 2) Due to the break-in at our shed, a new lock has been installed, and the combination is 1 - 3 - 5 - 7.
- 3) A new sign up sheet is in the pin box so members can sign up for grass cutting. Please help out!
- 4) The pin box will be repaired in the near future, and volunteers will be needed to lift it out of the ground. It is HEAVY!
- 5) The June Fun Fly is scheduled for June 26th, and further discussion of events, prizes, and invites will be discussed at the June 15th meeting.
- 6) Membership currently stands at 31, and anyone wanting a complete listing can contact Dennis Snoke for the details.
- 7) The financial report provided by Dennis shows a balance of \$2,461.70 as of the meeting date.
- 8) Proposed new FAA regs were discussed, but no real changes have been enacted in law as yet. More info to come.

The next meeting will be held on June 15th at the field, and all are encouraged to attend to plan for the FUN FLY. Events and prizes for the competition will be discussed at this time, as well as other matters.

I want to thank Norris for taking the minutes in my absence.

Clear sky and gentle winds to all
