

The May Meeting was held on the 19th with 9 members present, The Club now has 35 paid members.

Treasury Report – We are doing very well with an ending balance of \$2,523.35. A couple hundred is still expected to go into the new shed but overall it looks good.

It's been a really great year so far with many good flying days. We hope everyone is having a good time out there.

Fun Fly Dates: It was decided that we would have two Fun Fly's this year. The following dates are scheduled.

12th of June with the 13th being the rain date.

11th of Sept with the 12th being the rain date.

Feel free to invite all your family and friends. There will be Hot Dogs, Burgers Drinks and several other delicacies. Let the good times roll. Fun for All!

We decided to roll the field and that is being performed as of this writing. Special thanks to those that volunteered.

Mower Maintenance – The mower has had some issues this year. The starter bolt retaining holes had stripped out and they had to be repaired using Heli-Coil inserts. It also broke down recently when it wouldn't start on the 21st. More to come on what caused that as we find out what the issue is. We will be replacing the oil and filter shortly also.

Mower Shed – Still requires Shingles, Drip Edge, Good Door Latch and Trim for the edges. It was decided to put a flashlight in the shed also so you have lighting in there.

Club Officer Elections - Were held and it was decided to keep the current Club Officers.

President - Norris Mathews

Vice President – Bill Sherman

Secretary – Bob Wingert

Treasurer – Dennis Snoke

Safety Officer – John Smurthwaite

Mower Schedule – It was determined that we put a link on the Website for the Mower Schedule. I will be working to make that happen this weekend.

Sincerely

Bob Wingert

Secretary
